NEW BUSINESS

1 New Business - Ontario Power Generation Taxes In Lieu

Click for detail --> 

Whereas a meeting is scheduled for January 19th, 2009 between the City of Cornwall, the Minister of Finance and Ministry officials to deal with the payment-in-lieu issue for the hydro generating station in Cornwall; and

Whereas MPP Jim Brownell was sent a copy of the proposal for his comments in regards to an option that the City would be prepared to accept an 25 million dollar loan at no interest for 25 or 30 years and that the loan would be used for the proposed sports complex of a 3 pads ice arena with field house; and

Whereas the response from our MPP was very positive and agreed that this proposal would be a Win/ Win situation for both parties and bring closure to a long-standing issue between the City of Cornwall and the Ministry of Finance in regards to the payment-in-lieu issue for the hydro generating station in Cornwall. He also indicated that this is a great proposal to have on hand at the meeting scheduled for January 19th, 2009 between the City of Cornwall and the Minister of Finance and Ministry officials.

Now Therefore be it resolved that Council endorse presenting this proposal to the Minister of Finance and Ministry officials in regards to the payment-in-lieu issue at the January 19th, 2009 meeting and that administration prepare a document that would outline the financial details of such an interest free loan when compared to a traditional loan involving interest.
