Cornwall Civic Complex - Tenders

A report submitted by the Chief Administrator dealing with tenders for electrical, plumbing, drainage, heating, ventilation and air conditioning was considered. Moved by Alderman Keen and seconded by Alderman Lynch that the motion at the council meeting of July 14th dealing with Tenders 9, 11, 12 & 13 be rescinded. Carried.

It was moved by Alderman LeBlanc and seconded by Alderman Samson that tenders 9, 11 & 13 be awarded to R.T. McBride at a total price of \$1,232,109.00. Carried. It was moved by Alderman Lebano and seconded by Alderman Samson that Cornwall Plumbing & Heating be awarded tender 12 (heating), at a total cost of \$78,891.00. Carried.

Alderman Pescod explained that it should be made clear that this was a rare opportunity for Council to be able to reconsider a tender submission and that this was done only because there was no additional cost to the city, and that this was an opportunity to try and help a local contractor.

It was suggested by Alderman Guindon that for future tenders, it be indicated in the tender documentation that bidders can bid on a package deal.

Garbage Pickup.

Alderman Pescod informed Council that garbage pickup seemed to be worsening. In his area, the garbage was being picked up at 9:00 p.m.

He was informed by the C.A. that McDonald had been notified that there was a breach of contract and that the city may be obligated to make use of his performance bond if the present collection problems continued.

Council Pictures.

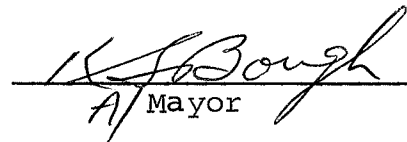

Moved by Alderman Guindon and seconded by Alderman Lynch that the photographer be made to contact every alderman to find out if they wish a new set of pictures. Carried.

Adjournment.

On motion by Alderman Guindon and seconded by Alderman Holden, Council adjourned at 1:00 p.m.
