By-laws - 3rd reading - Moved by Alderman LeBlanc, seconded by Alderman Lynch that the by-laws, listed on the agenda for third reading, be taken as read a third time and finally passed. Carried.

New Business -

Downtown Improvements Workshop - The Mayor informed Council that the downtown merchants will have representatives at the Downtown Improvements Workshop to be held at the end of June in Toronto.

Menard Avenue - Referring to a May 13th report, the Commissioner of Development stated that improvements are required on Menard Avenue as there is no way normal maintenance can be carried out and no way to turn around. All costs will have to be borne by the City.

Transit facilities - The City is to find out if grants could be lost if storage space at the transit building is leased to Voyageur.

Parks & Recreation reports - Alderman Keen requested extra copies of a report in Civic magazine covering an interview with Mr. T. Riley, pres. of the Canadian Parks Recreation Association.

Cormont-Mondey - Mayor Parisien reported that representatives of Cormont-Mondey will be meeting with Council this coming Monday at 7:00 p.m.

Downtown parking - Alderman Keen asked that administration investigate the possibility of building a parking garage behind the theatre. He referred to such a facility in North Bay, two and one-half storeys in height, will accept 350 cars and requires no attendants as parking meters are used.

Garden plots - Alderman Lynch asked that the horticulturist study the feasibility of making vacant land available to citizens for garden plots and that he submit a report to Council.

Election expenses - Alderman Lynch asked that a report of the City of Ottawa on election expenses legislation be circulated to members of Council.

Tourist & Convention Brochure - Alderman Lynch stated he could understand the consternation of Mr. John Milnes in not having the local horse show listed as a coming attraction in their brochure, noting that it has been in operation for four years and is supported by Council. He suggested that our representative on the Bureau explore further. Alderman Aubry pointed out that the dates of this event could be forwarded to the Bureau, who circulate a monthly calendar of events to all within the Seaway Valley.

Senior Citizens Complex - Mayor Parisien pointed out that O.H.C. made a commitment to the City to erect a complex uptown and in the east end area at the same time; however, the actual construction date is up to the Corporation.

Arboretum - Noting that Public Works will be planting trees in Lamoureux Park, Alderman Lynch suggested that Council do likewise as an example to individuals and organizations. It was moved by Alderman Lynch, seconded by Alderman Keen that each member of Council contribute between \$5.00 and \$10.00 towards planting of trees in Lamoureux Park, with planting to be done on Canada Day. Carried

Dogs running at large - Alderman Lynch asked that notices be inserted in the press advising that dogs are not permitted to run at large; and further, that charges can be laid under the Vicious Dogs Act.

Textile Industry - As the result of an announcement last week that Versatile Knitting is closing, Alderman Lynch asked that the Federal cabinet be urged to protect the textile industry in Canada from the cheaper foreign imports. Mayor Parisien stated that he and the Director of Economic Development will be meeting with Mr. Sutcliffe. Alderman Keen noted that he had contacted Mr. Lalonde, Mr. G. Samis and Mr. E.C. Lumley.

Civic Complex - Alderman Pearson asked for a floor plan of the convention area. He suggested Council make another tour of the facility.

2nd & Augustus St. - Alderman Pearson questioned the reason for cutting the road at Second and Augustus St. for repositioning of catch water basins, which were only installed last year.

Mitchell Maintenance - Alderman Samson stated he had received complaints from people in the area of Kinsmen Park. He felt Mitchell Maintenance, who is putting up lights, should be made to pay for the damage to the ground which has been caused by their working there.

Tourist & Convention Bureau - Alderman Samson questioned the amount allocated to the Tourist & Convention Bureau in this year's budget. The Chief Administrator explained there was very little increase since 1974 in the amount given by the City, however, the apportionment between the Chamber of Commerce, Tourist Bureau and Regatta Committee was different in the various years.

City trucks & cars - Referring to the use, by City employees, of City owned cars and trucks after hours, Alderman Samson stated he would like to see the City emblem on all vehicles. Alderman Guindon suggested leasing rates could be higher if they have to be re-painted.

Transit Building - Alderman LeBlanc questioned whether there could be a reduction in subsidy should the City rent space at the Transit garage for storage to Voyageur-Colonial. Further, he inquired as to why the extra bays could not have been utilized by Public Works Dept. instead of building other facilities.

Traffic lights - Alderman Samson reminded administration that the traffic lights on Montreal Road at St. Felix St. should be moved to Belmont St. prior to the paving of Montreal Road.

Dumping of debris - Alderman LeBlanc asked that 'no dumping' signs be erected on Holy Cross Blvd. where debris is being thrown.

Dog control - Alderman LeBlanc asked that a notice be placed in the local press indicating the fines for dogs running at large.

Laflin St. sanitary sewer - Alderman LeBlanc stated that the people on Laflin St. are concerned about the construction of the sanitary sewer on that street. They state that they have been told by Public Works that the City will be responsible.

Boat Houses - Moved by Alderman Aubry, seconded by Alderman Lynch that all of the boat houses in the Grey's Creek area be removed once a marina is capable of accepting the boats at the slips there. Carried. Ald. Lebrano asked that all owners be advised that they will be allowed to remain until other facilities are available. The Raisin Region Conservation Authority is to be asked to give a commitment that the present boat house owners along City property will be given first priority in the new facility.

Dog Control - Referring to a letter to the editor from residents in the Emma, Eva, Benny Sts. area, Alderman Aubry suggested that, as a more effective means of dog control, periodic patrols of the City be made and dogs picked up.

One-way street & bus route brochures - Referring to the brochures recently distributed by the City as being well designed and very legible, Alderman Aubry suggested that a more efficient method of distribution could have been obtained by co-ordinating both communications thus reducing printing and mailing costs.

Capitol Theatre - Alderman Guindon stated he felt there was incomplete coverage by the press on the tender for the rental of the Capitol Theatre. With respect to Du Parc Cinema Ltd. it was not stated that a matinee was to be shown; one movie at night and a different movie the next

night; with membership for certain movies. He believed Council made the right decision.

Rule 1.11 - Moved by Alderman Lebano, seconded by Alderman Guindon that Rule 1.11 be suspended and the meeting proceed after 11:00 p.m.

Local Improvement assessment - Alderman Guindon asked for a report from Engineering Dept. setting out the legislation whereby the City Engineer has the authority to determine on which street local improvement charges are to be assessed on corner lots.

Norman Park - Alderman Guindon complained that ball playing is not permitted at Norman Park, which forces the youngsters on the street. Alderman Keen recalled that the citizens in this area asked for the ban on ball playing and suggested they now sign a petition if they wish ball playing allowed.

Local Improvements in north-end - Alderman Cameron admonished the press for not advising the citizens that payments for construction of the sewers in the north-end would be delayed until such time as a report is submitted to Council.

Litter containers - Alderman Bough asked that the litter containers be moved near the bus stops.

Bus stops - Alderman Bough requested signs be erected indicating that the bus stops have been changed and indicating the new locations.

Catch basins & manholes - Alderman Bough inquired as to the reason for changing certain catch basins & manholes on Augustus St.

St. Lawrence Sanatorium meeting - Alderman Bough invited members to attend, if possible, the annual meeting of the St. Lawrence Sanatorium meeting to be held on June 1st at 1:00 p.m.

Words of thanks - Alderman Lebano offered sincere thanks to Mayor Parisien and colleagues and all those who wished him well while in the hospital.

Sewers Supervisor - Good wishes were extended by Ald. Lebano to former sewers supervisor, Mr. B. Whitton, on his recent appointment as superintendent of Osnabruck Centre.

Overruns - Referring to the overruns in expenditures on the transit building, civic complex and other areas, Alderman Lebano felt this money could have been spent on dust control and road maintenance.

Council remuneration - Alderman Lebano asked that Hon. D. McKeough be advised that this Council was one of the first to refuse any increase in remuneration, which showed the members genuine concern with wage control.

Dog control - Alderman Lebano asked that a tougher approach be taken to controlling dogs running at large with more frequent patrols of the City being made. He also suggested a better reception should be given anyone phoning in complaints.

Capital punishment - As elected people, Alderman Lebano felt members should get involved in the question of abolition or retention of capital punishment. Referring to letters forwarded by him, he stated he received an answer from our local member of Parliament but not from the Minister.

Montreal Rd. & Water St. - Council was advised that, dependant on the weather, the paving of Montreal Road will commence early in June; with work on Water St. to be started later this week.

H.M.C.S. Annapolis - Mayor Parisien reported that tentative arrangements have been made for the visit of the H.M.C.S. Annapolis on July 6th. A reception is to be held in the evening; with a noon luncheon the following day. The ship is to be open to visitors on Wednesday and Thursday. The crew hopes to visit Upper Canada Village and take part in a softball game. The Mayor further stated that the City has been asked to

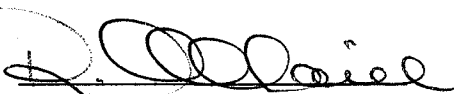

set up a civic reception for sixty to seventy people. Moved by Alderman Lebrano, seconded by Alderman Holden that the City act as host to a civic reception when H.M.C.A. Annapolis visits the municipality. Carried

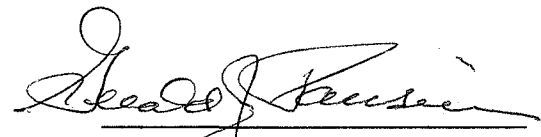

Cormont-Mondey - Mayor Parisien notified members of a closed meeting to be held with Cormont-Mondey this coming Monday at 7:00 p.m.

National Public Works Week - Mayor Parisien asked members to encourage the Public Works Dept. by attending the workshop during National Public Works Week.

Lasalle: Expedition 11 - Mayor Parisien reported that a group who will be travelling down the St. Lawrence on August 15th in connection with Canada's contribution to the United States Bicentennial celebrations has asked for a place to camp. Alderman Lebrano suggested that space could be available at Grey's Creek.

With respect to the same celebrations, His Worship stated that a letter from the Secretary of State for External Affairs has advised that Canada has produced a volume 'Between Friends/Entre Amis' and has asked that, as a border City, he present a copy to a border town in the United States.
