DELEGATIONS

Mr. D. Paquette who resides at 496 Fifth Street West indicated that he was before Council representing the residents of the west end of Cornwall. He described the route he has to take when he is proceeding south on Brookdale. He has been residing on Fifth Street West for 37 years and cannot recall any major accidents or other events that would cause the Traffic Department to close off that section of Fifth Street from Brookdale. In his opinion it just doesn't seem logical to have residents drive approximately $1\frac{1}{2}$ miles in order to get to their homes which are a few hundred feet from Brookdale. City Council received Mr. Paquette's presentation and indicated that his petition would be considered later on in the evening.
