DELEGATIONS

Seaway Valley Tourist Council - In presenting the budget for the Seaway Valley Tourist Council for 1981, Mrs. Terri Lalonde indicated that Cornwall is the only municipality that does not pay its directors and that perhaps Council should give this matter consideration if it wants to be assured of a total commitment by its representatives. She also indicated that the Tourist Council has received confirmation that federal contributions would be made available in the amount of \$24,696 and that 80% of that amount is allocated for 2½ employees leaving 20% for operating expenses. She concluded her presentation on the budget by indicating that the Tourist Council is respectfully submitting its request for funding at the rate of 25¢ per capita which represents a 5¢ per capita increase over 1980.

Mrs. Lalonde then introduced Messrs. Bob Piteau and Edgar Miron who represent the Cornwall Old Timers Hockey Club. These gentlemen presented a project to be called Corn-fest 1981 which would be a two-day celebration to be held August 21st and 22nd. They informed Council that the hockey club has been in operation for approximately 13 years and that \$15,000 to \$17,000 had been raised for charitable purposes during that time. They stated that any profits derived from this festival would be used to help the retarded children's summer camp which is presently experiencing problems with building renovations, equipment replacement, etc. It is their hope that Council will support this project and encourage them to proceed with detailed organization.

Following the presentation by Mrs. Lalonde and representatives of the hockey club, it was moved by Aldermen Lebano and Aubry that the 1981 budget proposal from the Seaway Valley Tourist Council be referred to current budget deliberations and that the Cornwall Old Timers Hockey Club proposal for a Corn-fest be accepted in principle, pending receipt of further information.
