DELEGATIONS

Billboard on Brookdale Avenue - Mrs. Aline Craig advised that she recently purchased the business from Seely Advertisizing and she was concerned with the request placed before Council. She indicated that the billboard does not present a traffic hazard and it is set back further than the dwelling that is situated between the restaurant and the Tim Horton property. She reminded Council that the billboard was legally erected and that all necessary permits had been obtained at that time. The billboard has always been kept in good repair and the fact that it is lit all night helps discourage vandalism in that area. She further argued that her company employs up to six people at any one time plus various contractors. If she were asked to remove her structure, it would create further unemployment and economic problems in Cornwall. She concluded by saying that she is simply asking for treatment comparable to other businesses that find themselves in non-conforming situations. She is concerned that if she has to remove the structure she will be unable to relocate in an area that has the same traffic circulation as the present site and that the cost would be prohibitive.

Mrs. Craig's presentation was received by Council and she was advised that this matter would be dealt with under Communications.

Mrs. Laurette Lavigne asked if Council would allow her 15 minutes to make her presentation.

Moved by Aldermen LeBano and Wise that  
Mrs. Lavigne be allowed 15 minutes to read  
a prepared statement.

Carried

Mrs. Lavigne read her letter which she claims gives the complete history of her application for Lots 1, 2, 3, 55 and 56, RP 240. Upon completion of her presentation, the Director of Planning explained the steps necessary to have Mrs. Lavigne's application finalized.

After considerable discussion between members of Council and Mrs. Lavigne, it was moved by Aldermen LeBlanc and Aubry that this matter be tabled until the Planning Board holds a public meeting on January 5, 1983 for the purpose of hearing from all those concerned on Mrs. Lavigne's application to rezone the lots in question to Highway Commercial.
