Carried

DELEGATIONS

Hockey Franchise - Mr. Bernie Shields was representing a group of local citizens who are interested in obtaining a Junior A hockey franchise in the Central Junior Hockey League. He advised that a hockey team of that calibre in Cornwall would compliment our existing minor hockey program in that it would allow local hockey players to pursue their activities in the competitive hockey league rather than leave town as at present. He listed some of the benefits that such a franchise would bring to our city one of which is the possibility of a Junior A hockey player combining athletic skills with academic skills. He explained that players participating in

Junior A Hockey are eligible for scholarships in U.S. colleges while players participating in Major Junior Hockey cannot qualify. He advised that Mr. Bob Kilger, who is spearheading this citizens' group, has received a letter from the Central Junior Hockey League on the conditions that: a) ice time is available; b) he list with the League his Board of Directors; c) he submit the proper entry fee. The deadline for receiving franchise approval is May 1, 1983. The problem is client is facing was relayed in a letter from the Chief Administrator advising that local arenas would not be available to his group because of a clause in a contract signed between the City and Mr. Paul Emard, owner of the Cornwall Royals. His presentation this evening was to request that Council consider its contract with Mr. Emard and review the possibility of extending a franchise to his group.

Moved by Aldermen Lebano and Lynch that this matter be referred to Administration and that a meeting be held between all parties concerned in an attempt to resolve this matter. Carried

Moved by Aldermen Wise and Guindon that the Mayor arrange and chair a meeting for this purpose and that Council go on record as supporting a Junior Hockey Franchise in the Central Junior Hockey League. Carried

Chimney Cleaning — Mr. Rivette advised that he is part owner of a chimney cleaning business. His complaint is that a competitor is a City employee in the Fire Department. Mr. Rivette advised that he feels that the connection between the competitor and his employment creates a conflict of interest and that the City should do something about it. He indicated that it was not fair for him to have to compete with someone already receiving a salary from his company's taxes and all other residents' taxes. His suggestion was that Council consider passing a by-law whereby companies in the business of cleaning chimneys would be licensed either through the City 's licensing department or through the Ministry of Consumer and Commercial Relations.

Moved by Aldermen Aubry and Lebano that the delegations be received and that Administration investigate his request. Carried

Handi-transit - Mr. Dolejsi reiterated past actions taken by his delegation and Council in offering a full Handi-transit service. He indicated that discontinuing Handi-transit after 6 p.m. without discontinuing other transit services was discrimination against the people he represents. He asked that Council rescind its motion to discontinue Handi-transit after 6 p.m. and that service be maintained as it was previously. Mayor Parisien advised that there are two notices of motion on the agenda that will be discussed and voted on at the next regular meeting of Council. Mr. Dolejsi advised that he understands the procedure to be followed and expressed the hope that Council would favourably consider his request at that time.

CONSENT AGENDA

- A. Wally Byam Bid 1983 - Receive report from CAO
- B. Kinsmen Club - Grant permission for grocery lottery
