#### DELEGATIONS

Ambler Courtney Ltd. - Mr. H. Follon introduced himself as representing Ambler Courtney Ltd. He indicated that his client firmly believes in the system of tendering and always accepted that in the long run awarding the tender to the lowest bidder would always be more beneficial to a municipality than a decision such as the one made on Tender #18. He stated that his licent has been in business for 27 years and has accepted contracts in all parts of Canada and in some cases outside of Canada. It is the firm's policy when a contract is awarded that one supervisor is sent to the municipality and that the balance of labour and equipment is obtained at the local level. He indicated that item 13 on this evening's agenda may be a good example of what could happen if out of town contractors are not encouraged to submit bids on contracts.

Mr. Courtney then came before Council and advised that since the award of the tender to the second lowest bidder the City of Cornwall has received adverse publicity in the Daily Commercial News and area newspapers. He indicated that the award made at the last meeting was contrary to tendering practice in other communities and that his only regret is that his firm was not provided an opportunity to explain how this contract would have been worked out had Ambler Courtney been accepted.

After Council had exhausted all questions and comments, it was moved by Aldermen Samis and Lynch that our tendering policy be reaffirmed. A recorded vote resulted as follows - For the Motion: Aldermen Lynch, Samis, Wise and Leger. Against the Motion: Aldermen T. Lalonde, LeBano, R. Lalonde, Myers, Guindon and LeBlanc. The motion was defeated.

Job Creation - Mr. N. Warner, President of the Cornwall Chamber of Commerce, described job creation programs available through Federal Government agencies and urged Council to assure maximum use of these programs in order to provide as many jobs as possible. He indicated that the Chamber of Commerce would favour a project such as a municipal airport as a job creation program whereby permanent jobs would be available, not to mention benefits derived by local industries and government offices. He further stated that the Chamber of Commerce intends to assist any local firm in their application to the C.I.R.B. He sees a potential for creating 500 to 1000 jobs if a maximum effort is put into these programs. He concluded his presentation by inviting the Commissioner of Development and the Director Economic Development to join the Chamber of Commerce in providing assistance to local firms.

Pitt Street Two-Way Committee - Mr. Fern Guindon read a brief prepared by the Pitt Street Two-Way Committee which reported on the northern extensions of Sydney Street which are contained in the proposed new Official Plan for the City of Cornwall. He proceeded to outline the concerns of the area and asked that the Committee be provided an opportunity to present opposition to the proposed extensions of Sydney Street at the proper time.

It was moved by Aldermen LeBano and T. Lalonde that the brief from the Pitt Street Two-Way Committee on northern extensions to Sydney St. be forwarded to the Planning Board for consideration.

New Jail - Moved by Aldermen Samis and Wise that  
 whereas the Cornwall Jail is now one of  
 the oldest jails in Ontario;  
 and whereas the construction of a new jail  
 would infuse several million dollars into  
 the Cornwall economy and create jobs;  
 and whereas the Institutions Review Committee  
 has condemned the jail for the sixth year in  
 a row and recommended its closing;  
 and whereas several million dollars have  
 recently been allocated to replace or renovate  
 the jails in Sudbury and Sault Ste Marie which  
 were built some 60 years later than the  
 Cornwall Jail;  
 therefore be it resolved that the Solicitor  
 General be asked to reconsider his decision  
 to allocate approximately \$300,000 towards  
 construction of temporary facilities to be  
 placed in the yard space and recommend instead  
 construction of an entire new facility.
