PRESENTATIONS1. Robert Kilger, M.P. - CBC News Report

Mr. Kilger thanked Council for the opportunity to speak to the citizens of Cornwall and area regarding the CBC newscast "Ontario After Prosperity". He indicated that his riding office received as many calls on this telecast as some of the major issues being discussed at the House of Commons. He indicated that this negative report came at a most inopportune time when this municipality is facing a most challenging economic situation. He felt that the reporting was very unbalanced and that the best part of the interviews were not aired by CBC.

He concluded his presentation by indicating he had written a similar letter to Mr. Veilleux, President of CBC, to protest this negative report on Cornwall.

2. Central and Area Health & Safety Committee

Mr. Sherman Goodwin, Co-chairperson introduced to Council a Health and Safety Policy. This type of policy is necessary if the City is to comply with Provincial legislation and Mr. Goodwin expressed the wish that Council approve the policy later this evening.

#### DELEGATIONS

1. Mr. Malcolm Bain - Rotel Vice-Chairman

Mr. Bain indicated that the Rotary Club started working on this project about 10 years ago and he was pleased to indicate that Cornwall residents are the largest users of Rotel, a motel serving patients and families using Ottawa hospitals.

He advised that his presence this evening is to make people more aware of the facilities being offered and to ask if City Council would consider offering financial support towards their goal of retiring a \$195,000 debt. Rotel is presently seeking private legislation that will exempt the Rotary Club from paying municipal taxes of \$40,000 per year. While this legislation will help in reducing the mortgage, support from user municipalities is necessary.

It was moved by Aldermen Angelo Lebano and Terri Lalonde that this matter be referred to Administration for a Report.
