COMMUNICATION:

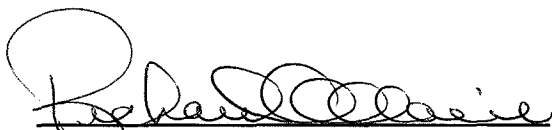

#1 RSI - MR. JIM DURRELL:

Mr. Durrell indicated that he realized that Council was not going to support his proposal but that he wanted an opportunity to speak to Council in order to protect the integrity of his Company.

He expressed disappointment that Council would allow itself to be compromised with the result that it will not accept his proposal. He added that the reports presented to Council were shoddy, poorly written and biased against privatization. He suggested that the Department in question was in turmoil and not to expect the staff to support privatization.

Members of Council and the CAO were provided an opportunity to express their comments relative to Mr. Durrell's presentation. Mayor Martelle reminded Council this matter would be further dealt with at the regular City Council meeting of February 26, 1996.

The meeting adjourned at 6 p.m.
