DELEGATIONS

Having previously declared an interest on the Delegation being made by the Genealogical and Historical Center, Councillor Huguette Burroughs left the room .

1. Funding Request - Genealogical and Historical Center

Marcelle Paquette and Gerald Samson, La Régionale Saint Laurent Inc.

Mr. Gerald Samson and Mrs. Marcelle Paquette, from La Régionale Saint Laurent Inc., on behalf of the Genealogical and Historical Center acquainted the Council with their organization in that it is dedicated to the preservation of French Ontario Heritage. This non-profit organization first opened its doors in the basement of Nativity Parish with one genealogical dictionary and through ongoing donations, grants, fundraising and hard work the research center grew book by book until it was too large for the parish basement. In 2000, the center then moved into the former Nativity School where it now occupies several classrooms.

Today, it is officially recognized as an historical site. Their main objectives are to promote and appreciate their French Ontario Heritage, develop their genealogy and family history (bilingual services) offer courses to help young and old in the genealogical research and further upgrade their library collection by adding their members' research.

As a result of a recently imposed large rent increase, as well as the decline in their Bingo funds, the Centre now needs approximately \$25,000 of stable income per year to cover their rent and keep the business going.

It was indicated that although they explore innovative ways to attract players, such as modifying the game schedule and introducing new games, the Association is in need of assistance and would like to approach Council for relief from the license fees.
