RESOLUTIONS / BUSINESS ARISING FROM NOTICE OF MOTION

2009-11 Courtaulds Property - Shovel Ready

Click for detail --> 

WHEREAS with respect to the recently announced Federal Budget and the concerns that co-funded projects be "shovel ready" to allow for immediate development; and

WHEREAS in the event that the present location (former Domtar site) for the multi-sport centre not be "shovel ready" in time for processing the application; and

WHEREAS the Council understand that the Courtaulds properties are deemed "shovel Ready" and this large parcel of land (90 plus acres) has numerous potential sites suitable in size for the Multi-Sport centre; and

WHEREAS the Courtaulds properties are within walking distance to more than 10 schools (map attached) and according to a recent recreational report "our east end district has the highest concentration of youth in the city".

NOW THEREFORE BE IT RESOLVED that the Courtaulds properties be considered to be next in line, if the present location is not "shovel ready", when the time comes to file the application.

Motion to approve the recommendation as presented.

MOTION DEFEATED

2009-12 Multi-Sport Centre - Design Project

Click for detail --> 

WHEREAS in so far as the Multi-Sport "arena" project is awaiting word on the extent to which senior levels of government will contribute to the project; and

WHEREAS in so far as shovel-ready is a necessary criteria to funding; and

WHEREAS in so far as various community groups are suggesting additional components to the basic ice-pads and fieldhouse, yet in the interim must find and commission a design team in order that the City have plans ready for the moment funding comes through.

NOW THEREFORE BE IT RESOLVED that the design specifications include the proviso that the project be compatible with being constructed in phases or stages; and

BE IT FURTHER RESOLVED That this build-in flexibility allow the City to start as soon as funding comes in, without the necessity of going back to the drawing board to design bigger or smaller plans, depending on the money promised by senior levels of government.

2009-13 Bottled Water

Click for detail --> 

WHEREAS the Federation of Canadian Municipalities at its recent Board meeting of March 7, 2009 endorsed Resolution ENV09.01.02 on the use of Bottled Water; and

WHEREAS bottled water consumes significant amounts of non-renewable fossil fuels to extract, package and transport water creating unnecessary air quality and climate change impacts;

WHEREAS it takes about three litres of water to manufacture a one litre plastic bottle of water;

WHEREAS bottled water companies use municipal water and groundwater sources when a growing percentage of Canadian municipalities have faced water shortages in recent years;

WHEREAS although bottled water creates a container that can be recycled, between 40% and 80% of empty bottles end up as litter and/or are placed directly into the garbage and take up unnecessary space in landfills;

WHEREAS tap water is safe, healthy, highly regulated and accessible to residents, employers, employees and visitors to Canadian municipalities and substantially more sustainable than bottled water; and

WHEREAS some municipalities have enacted by-laws to restrict the sale and purchase of water bottles within their own operations;

BE IT RESOLVED that the Corporation of the City of Cornwall phase out the sale and purchase of bottled water at their own facilities where appropriate and where potable water is available; and

BE IT FURTHER RESOLVED that municipalities be urged to develop awareness campaigns about the positive benefits and quality of municipal water supplies.
