2 Culture Plan for the City of Cornwall by Keitha Fisher, Todd Bennett and Graham Greer

Click for detail --> 

This matter was moved to the beginning of the meeting, immediately following the approval of Minutes.

Keitha Fisher, together with Todd Bennett and Graham Greer presented Council with upcoming findings of the Culture Plan

While the Plan will not be made available to Council until late February or early March, the work on the upcoming budget will soon be underway. Ms. Fisher indicates that, should funds not be set aside in anticipation of the findings of the Plan, it will be extremely difficult, if not impossible, to move forward on any recommendations. For this reason, this group of three

requested that Council and the Budget Steering Committee ensure that funds be set aside so that it will be possible to begin acting on these recommendations. The presenters feel that it would be prudent to begin setting aside budgetary funds now rather than scramble to find them after the budget has been completed.

It was further requested that the art and culture community be part of Council's plan for its new term of office by creating a Committee of Council.

Be it Resolved that this matter be referred to Administration for Report.
