MOTION APPROVED

NEW BUSINESS

1. Property Standards Advisory Committee

WHEREAS Cornwall's Property Standards By-law 072-2000 addresses concerns for public health, life safety and basic human safety in general not be placed at unnecessary or unreasonable risks in the use and occupancy of an existing building such as faulty stairs, balcony guards and blocked exits, substandard electrical, heating and ventilation systems; and

WHEREAS Cornwall's Clean Yards By-law 039-1996 addresses concerns for safe, healthy and visually acceptable condition and unsightly debris such as animal waste, standing water, tall grass, overgrowth, etc.; and

WHEREAS Cornwall's Board Up By-law 168-2001 provides for properties to be secured as necessary to protect against entry by unauthorized persons with resultant vandalism, fire, decay, rodent, etc., now therefore be it

RESOLVED that Administration be directed to prepare a report outlining the potential benefits a Property Standards Advisory Committee could bring in assisting to move from a reactive property standards enforcement system to a pro-active system;

Moved By: Maurice Dupelle, Councillor
Seconded By: Bernadette Clément, Councillor

MOTION APPROVED

2. Recreational Swim Facilities on the Cornwall Waterfront and in the Cornwall Canal

WHEREAS There is intense interest and many suggestions relating to the development of a recreational community swimming facility in the St. Lawrence River along the Cornwall Waterfront; and

WHEREAS The Waterfest event has been able to make of the remains of the Cornwall canal system located west of the International Bridge; and

WHEREAS it is conceivable that many ideas currently being discussed may have been studied and/or considered by councils in the past, interested parties would benefit from a knowledge of any work done in the past and insights gained to date, now therefore be it

RESOLVED That city Administration prepare a brief summary of any and all suggestions and related motions on this matter that may have been debated or considered at the council level in recent years. As the public engages itself in conversation about the development and feasibility of a recreational swim facility in either the canal or the waterfront, it would be advantageous to have access to what history might already exist, so interested parties can have a common starting point, be aware of ideas that may have already been explore, and know the results of any studies that may have already been completed.

MOTION APPROVED
