2013-08-12 Land Border Crossing Fee

Click for detail -->

WHEREAS at the regular City Council meeting of The Corporation of the City of Cornwall held on August 12, 2013 the following resolution was approved:

WHEREAS the U.S. Department of Homeland Security budget for the fiscal year 2014 proposes to conduct a study assessing the feasibility and cost relating to establishing and collecting a land border crossing fee for both land border pedestrians and passenger vehicles along the northern and south-west borders of the United States; and

WHEREAS the purpose of the study is to determine how fees could be collected to offset the cost of the Department of Homeland Security's efforts to secure the U.S. Borders; and

WHEREAS the Canadian/United States economic relationship is one of the largest in the world with trade in goods and services between the two countries at 128 ports of entry totalled \$645 billion in 2010, or more than \$1.6 billion each day; and

WHEREAS border fees will have a negative impact by reducing border crossings of Canadian and American visitors to Ontario and New York State over the Three Nations Crossing/Seaway bridge, which is used by more passenger vehicles than any other crossing in Northern New York state; and

WHEREAS the Three Nations Crossing, which connects the United States with Canada and Cornwall, Ontario with Massena, New York, provides an important economic and social conduit between our communities and countries for trade and travel with close to 2 million vehicles a year crossing the border at Cornwall in 2012 which was the highest in count since 2001; and

WHEREAS the City of Cornwall depends on efficient and seamless crossings in order to maintain social and economic connections which are critical to the well-being of our greater community area; and

WHEREAS implementation of a border fee would be negative for residents, travellers and economic growth along the border with a downturn of traffic resulting in less tax income being generated for the United States government as a result of stifling traffic and trade between our cities and countries, and would be counter-productive to creating a more seamless border to enhance economic conditions on both sides of the border; and

WHEREAS conducting a study on how to assess a Land Border Tax would be a waste of limited United States federal resources since the negative fiscal impact of imposing this fee may likely be offset by reduced economic activities and would also socially impact the quality of life in our communities,

NOW, THEREFORE, BE IT RESOLVED that the Council of The Corporation of the City of Cornwall, Ontario oppose the conduct of a study assessing the feasibility and cost relating to establishing and collecting a land border crossing tax for both land border pedestrians and passenger vehicles along the Canada/US International Border; and

BE IT FURTHER RESOLVED, that this resolution be forwarded to the Senator Patty Richie, U.S.; Senator Joseph A. Griffo, U.S.; Senator Betty Little, U.S.; American Ambassador to Canada, David Jacobson; Governor Andrew Cuomo and Mayor James F. Hidy, Massena, N.Y.; Prime Minister Stephen Harper; Ontario Premier Kathleen Wynne; Canadian Ambassador to the United States Gary Doer; Cornwall Ontario Member of Parliament Guy Lauzon; and Cornwall Ontario Member of Provincial Parliament Jim McDonell.

7 Dementia Care Strategy

Click for detail --> 

This item was moved from Consent Item 2 for discussion.

That Council **SUPPORT** Resolution 2013-08-12.

Click for detail --> 

WHEREAS Alzheimer's disease and other dementias are progressive, degenerative diseases of the brain that cause thinking and memory to become seriously impaired; and

WHEREAS Alzheimer's disease and other dementias most often occur in people over the age of 65 but can strike adults at any age; and

WHEREAS Alzheimer's disease and other dementias affect more than 500,000 Canadians currently and that this figure is projected to reach 1.1 million within a generation; and

WHEREAS Alzheimer's disease and other dementias also takes their toll on hundreds of thousands of families and care partners; and

WHEREAS an estimated further three million Canadians face the burden and challenges of providing care for those suffering with Alzheimer's disease and other dementias; and

WHEREAS there is no known cause or cure for this devastating illness; and

WHEREAS the cost related to the health care system is in the billions and only going to increase, at a time when our health care system is already facing enormous financial challenges; and

WHEREAS Canada, unlike many countries, does not have a national dementia strategy; and

WHEREAS there is an urgent need to plan and raise awareness and understanding about Alzheimer's disease and other dementias for the sake of improving the quality of life of the people it touches; and

WHEREAS MP Claude Gravelle Nickel Belt has introduced Bill C-356, *An Act respecting a National Strategy for Dementia*, as he works for broad, all party and non-partisan support for an issue that touches us all. His legislation calls for a national plan that includes the development of strategies in primary health care, in health promotion and prevention of illness, in community development, in building community capacity and care partner engagement, investments in research and other (advisory board, objectives, investment in research, and caregivers and more), now, therefore be it

RESOLVED THAT the Corporation of the City of Cornwall calls on all levels of government and the Federation of Municipalities to adopt a national dementia strategy, and urges all citizens of our communities to become more aware and engaged concerning the far-reaching effects of this devastating disease.

REPORTS FROM STANDING / SPECIAL COMMITTEES OF COUNCIL

Councillor Syd Gardiner gave an update on the Cornwall Public Library.

NOTICES OF MOTION

1 Expansion of the Cornwall Regional Airport

Click for detail --> 

Proposed by: Syd Gardiner, Councillor
Seconded By: André Rivette, Councillor

Whereas the need to expand the Cornwall Regional Airport to increase its role in promoting business opportunities has been identified for some time;

Whereas the Cornwall Regional Airport Commission developed and adopted a detailed expansion plan titled Cornwall Regional Airport Business Vision 2012;

Whereas Guy Lauzon, our local M.P. continues to seek out opportunities for Federal and/or Federal/Provincial funding through infrastructure programs;

Whereas City Council adopted the following motion at its June 9th, 2008 meeting:

"Moved by Councillors Syd Gardiner and André Rivette that

Council approve the "Cornwall Regional Airport Business Vision 2012" plan in principle subject to available funding from senior levels of Government and that it support the Cornwall Regional Airport Commission's application for such grants pursuant to Report ED #06-2008 prepared by Mark A. Boileau, Manager, Economic Development, under date of June 3, 2008";

Whereas the Township of South Glengarry, the City's partner in the Airport Commission is also committed to advancing the expansion;

NOW, THEREFORE, BE IT RESOLVED:

That City Council reaffirm its decision of 2008 to support the Cornwall Regional Airport Business Vision 2012, and

That Council commits to finding appropriate methods of funding any Municipal commitment or share of funding should an infrastructure announcement or approval for the airport be forthcoming; and

That the commitment be consistent with the normal (85%-15%) funding split between the City and Township; and

That staff provide a background summary for the Council meeting of September 9th to assist in the deliberation of this item, and identify possible funding strategies.

NEW BUSINESS
